

Greetings!

We are excited to announce sponsorship opportunities for the Listen to Black Women Summit 2020 and I would love for you to be a part of it!

Why are we having such an event?

This summit is here to pour into Black women in all the delicious ways we need to be poured into, raising our collective consciousness, reminding us to breathe, smile and divest.

It is no secret that the Atlanta Institute of Tantra & Divine Sexuality centers Black women and our pleasure, but what does that mean right now, in these strange new times? I want to hold a safe space where we can discuss exactly what that.

This summit is an opportunity for us all to learn from Black women who are thought leaders, healers and teachers. A summit where we are safe to share our concerns, fears, and questions, while healing and celebrating our survival and existence.

Tickets for this 4 day summit are \$199, with 100 scholarships being made available to Black women. My goal is to bring 300 Black women and the people who love, celebrate and support us into a digital space where we will explore the intersections of Black womanhood, pleasure, love, justice, activism and liberation. Current confirmed speakers include Author and Energy Doctor C. Shola Arewa, National Award Winning Survivor advocate and Prevention Strategist Wanda Swan, Clinical Therapist, Porn Actress and sex educator Jet Setting Jasmine, High Priestess and Somatic Sexologist Ty Shaw, and Ifa Priestess Iyasola Akalatunde to name a few.

I have included our sponsorship deck which lists a variety of ways to join us as a sponsor. I can also discuss in-kind sponsorship opportunities as well. Please let me know if I can count on you as a partner for this event.

Thank you for your consideration,

Amina Peterson
Director, Atlanta Institute of Tantra & Divine Sexuality
